All official ADSM materials governing these policies can be found online at the ADSM Student Web Portal ([lms.adsm.ac.ae](https://lms.adsm.ac.ae)).

### **7.3 Appeals and Grievances**

ADSM provides clear and accurate advice and guidance to students submitting an academic appeal or complaint, student to raise an academic appeal and to seek resolution from ADSM, and to ensure that appeals and complaints are conducted in a timely and fair manner. The Abu Dhabi School of Management is committed to being an international leader in management education. The School focuses on educating innovative leaders capable of initiating, managing, and implementing change. Consistent with this mission, ADSM welcomes diversity within its community and requires each member to respect the values of other members of the community. To maintain the integrity of the diverse cultures, present at ADSM, certain standards of academic conduct must be adhered to by each student, faculty member, staff member, and administrator throughout his or her experience at the School. Every member of the ADSM community is expected to uphold the principles embodied in the academic honesty and integrity policy. All members of the School community—students, faculty, and staff—share responsibility to bring forward known acts of apparent academic dishonesty. Any member of the academic community who witnesses or otherwise becomes aware of an act of academic dishonesty should report it to the appropriate faculty member or to the Academic Dean.

ADSM's Academic Integrity Policy is a comprehensive review of the School's expectation in this regard as well as the various consequences for breaches of the policy. This policy is found on the ADSM Student Web Portal ([lms.adsm.ac.ae](http://lms.adsm.ac.ae)) and is closely associated with the Student Rights and Responsibility Policy and the Policy on Appropriate Use of Technology. - 7.8. For MS courses, the examination for each course must include one “controlled in-class assessment” (individual) and one “out-of-class assessment” (individual).
- 7.9. The controlled in-class assessment is held in the 5<sup>th</sup>, 6<sup>th</sup> or 7<sup>th</sup> week of a regular term, and the out-of-class assessment is assigned in week 10 of a regular term.
- 7.10. For MBA courses, the examination for each course must include a “controlled in-class assessment” (individual) and two “out-of-class assessments” (individual).
- 7.11. For Undergraduate courses, the midterm examination is held in week 8 and the final exam in week 16.
- 7.12. The Curriculum Development Committee determines the weight of each examination.
- 7.13. Instructors are required to mark examination papers submitted for their courses, and record grades.
- 7.14. The Director of Academic Programs shall assign a second marker to validate a sample of the second assessment to assure appropriate level of marking. See *Grade Moderation Policy* for details.
- 7.15. The final grade for any course is calculated based on the weight of each examination included in it.
- 7.16. Final grades are recorded in letter grades and corresponding percentages. Instructors must submit final grades to the Academic Dean no more than five (5) days after the submission date of the last assessment.
- 7.17. The Academic Dean then reviews the submitted grades, and once approved, grades are sent from the Academic Dean’s office to the Office of Student Affairs.
- 7.18. The Office of Student Affairs shall release the final grades within two (2) days of receiving them.
- 7.19. The instructor must provide students with feedback using the Assessment Feedback Sheet within one (1) week of completing the related examination.
- 7.20. Students may appeal their grades in examinations as set in the *Grade Approval and Change Policy*.

## **Section 8 : Responsibilities**
